Objective

Motivated architecture students seeking an internship/entry-level role to contribute to concept design, documentation, and coordination while continuously expanding skills and embracing feedback. I'm known for accuracy, reliability, and collaborative problem-solving in fast-paced studio environments.

Education

Morgan State University	Baltimore, MD
Masters + Bachelor of Science in Architecture and Urban Design	August 2022 – Present
- Working on the design of multiple commercial/residential projects and conducting site visits - Producing digital models and creating visual aids - Creating detailed architectural drawings and sketches - Working and communicating with other architects on projects - Conducting progress reports on projects and presenting results	

Experience

RAMSA – Robert A.M Architects	New York, NY
Architecture Internship	June 2025 – August 2025
- Proficient in Revit and Rhino modeling; familiar with CAD, InDesign, Photoshop, and model-making tools. - Experience in producing presentation materials, drawings, models, and visual communications for design reviews. - Worked in a supportive, team-oriented environment; received hands-on mentorship from senior architects and leadership. - Engaged in internal lectures, studio critiques, and cross-studio interaction, strengthening communication and design discourse. - Contributed to real architectural projects, adapting to varied workloads and project phases while maintaining quality. - Built meaningful professional connections with firm partners and peers; developed deeper exposure to firm culture and values.	

NOMAS Competition Team	Morgan State University, MD
Render & Model Team	August 2024 – October 2024
- Collaborated with a team to create a master plan for the Highway to no-where to meet deadlines - Digitally designed and rendered the model through Rhino & Revit	

Skills

-
- 3+ Years of experience with AutoCAD, Revit, Rhino (with grasshopper knowledge)
 - 5+ Years of experience with Adobe Creative Cloud
 - English (Functionally Native), Arabic (Native)
